Hey John and hope you are well as well.

I really have no clue about this. No one ever told me about any changes to the fees. Are we able to go to Lorena to double check again? Is she with another BID that she can at least confirm or discuss?

I do not recall ever receiving anything or being told about the fee increase.

Subject: Assessments

Hello Patrick -

I hope all is well - and that you are ok?

I've been working with the City Clerks to turn in our APN's and Assessment fees for 2019. I know that I have been told by the Board and the President "that this board has never increased fees since the

inception” however, in sending over my work to our Engineer/Consultant, he has found a difference of %3.6 in dollars and that change took place between 2013-2015. I do not know anything about this and cannot find anything to verify so, I am coming to you for help????
